- contribute to strategic planning for the phase and are actively involved in leading school improvement
- are confident in leading effective staff and team meetings
- have experience of monitoring standards and evaluating the impact of teaching and interventions to raise standards across the phase
- have the skills to performance manage members of the team in order to facilitate continued professional development
- are persuasive and proactive in their role of developing high quality teaching and learning
- are experienced in the analysis of data to track progress and support team members in effective target setting
- hold high expectations of staff and have the ability to tackle under performance.

We can offer you:

- welcoming and enthusiastic children and staff
- excellent CPD opportunities through the MTSA Teaching Schools
- opportunities to develop your own leadership skills and to make a contribution to whole school priorities
- access to working in different schools across the Trust

*The CLIC Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.*
