

Dear Parent/Carer, Stakeholder,

The Trustees of the Changing Lives in Collaboration Trust, as the admission authority for Chorlton Park Primary School, are undertaking a consultation on the school's admission arrangements.

Although the Trust is not proposing any changes to the current admission arrangements, the consultation is being carried out in accordance with the requirements of the School Admissions Code, which requires admission authorities to consult on their arrangements at least once every seven years.

The Trust is proposing that the admission arrangements currently in place for Chorlton Park Primary School remain unchanged for admissions in September 2028.

The admission arrangements include:

- The Published Admission Number (PAN) of [number] places.
- The current oversubscription criteria.
- Existing arrangements for applications, admissions and appeals.

A copy of the proposed admission arrangements can be viewed on the school's website:

<https://chorltonpark.manchester.sch.uk/Parents/Admissions/>

We welcome views from parents, carers, schools, community organisations and any other interested parties regarding the proposed admission arrangements.

The consultation will run from 23 October 2026 to 01 December 2026.
